

Take It From Dad

Take it From Dad

George Livermore

Take It From Dad is a collection of letters written by a father to his son, Ted, at boarding school, away from

home for the first time. In each letter "Dad" comments on some aspect of Ted's experience, attitude, or behavior, illustrating and driving home his point with an entertaining tale about human nature. This book is appropriate for all ages from adolescence on, and its lessons are as relevant today as when they were written.
